**Re: HOVENSA Asset Sale; Transfer of TPDES Permit No. VI0000019**

To Mr. Kahn and Mr. Schoyer:

This letter serves to notify you both that the Department of Planning and Natural Resources, Division of Environmental Protection (DPNR-DEP) has verified that the Territorial Pollutant Discharge Elimination System (TPDES) permit for HOVENSA, LLC (Permit No. VI0000019) was automatically transferred to Limetree Bay Terminals, LLC on April 1, 2016, in accordance with 12 VIRR §184-71(b).

Please note that, due to the administratively extended status of the TPDES permit, the permit and associated Discharge Monitoring Reports (DMRs) cannot be modified in any way until DPNR receives a full renewal permit application, and so shall still retain the HOVENSA, LLC name. **However, all permit responsibility, coverage and liability shall be held by Limetree Bay Terminals, LLC.**

You may contact Mr. Benjamin Keularts, WPC Program Manager, at (340) 773-1082 xtn. 2279 should you have any questions.

Sincerely,
